

Huff!
Coward!

Mmm...o...o

You said you'd let her go!

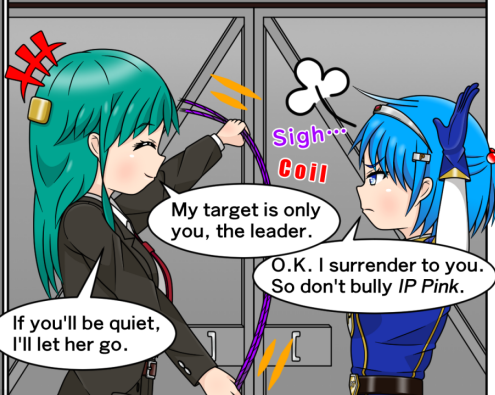

Bye
bye!

Did you think I'd release anyone who saw this pirated manufacturing plant? ♥

I set off a time bomb. In 3 minutes, you and this plant will explode.

03:00

~ Day 25 ~ Standard scene on power rangers

Sigh...
Coil

My target is only you, the leader.

O.K. I surrender to you. So don't bully IP Pink.

If you'll be quiet, I'll let her go.

Of course!

I put a trick on that rope that makes it easy to untie ★

Did you set up a trick for her to escape?

So, when she puts pressure on that rope, the spring stretches and she can remove it.

That rope is a coil spring covered with cloth.

Close... ♪

You're the genius inventor!

Open!

Don't destroy my invention!

Successful escape!

"Performing" is including not involving the performance of a work but having the nature of a performing art. So, magic is also protected by Japanese Copyright Act (Article 2, Paragraph 1, Item 3). Her combat power increased because I talked about copyright.

I struggle until I reach the time limit and then escape.

Ungh

This is like escape magic.

Well, I don't think Copyright Act protects magic like this.
